- Tools/systems:** *[Software, platforms, methodologies]*

Skills demonstrated: *[Leadership, technical, soft skills]*

MY SKILLS

Core Expertise: *[List your main professional skills]*

Technical Tools: *[Software, platforms, systems you use]*

Soft Skills: *[Communication, leadership, etc.]*

Certifications: *[Any relevant certifications]*

MY EDUCATION

Degree: *[MBA / Bachelor's / etc.]*

Institution: *[University name]*

Year: *[Graduation year]*

Coursework/Honors: *[If applicable]*

SIDE PROJECTS / PERSONAL BRAND (if any)

[Describe any freelance work, content creation, side business, or volunteer work.]

Include metrics like followers, revenue, or impact where possible.]

TARGET ROLE INFO

Role applying for: *[Job title]*

Industry keywords: *[List 10-15 industry-specific terms to include]*

Company culture: *[e.g., Startup / Corporate / Data-driven / Fast-paced]*

NOW CREATE MY RESUME WITH

1. PROFESSIONAL SUMMARY

4–5 lines positioning you as the perfect candidate. Pack in your years of experience, key companies, biggest numbers, and unique value.

2. CAREER SNAPSHOT

Visual metrics section with 4–5 impressive numbers in boxes — e.g., '10+ Years Experience,' '45% Revenue Growth,' '20 Projects Delivered.'

3. WORK EXPERIENCE

For EACH job: 6–10 bullet points. Start every bullet with a strong action verb. Use this formula: [Action Verb] + [What I did] + [How/Context] + [Quantifiable Result]. Show scope, impact, and business outcomes.

4. CORE SKILLS & TOOLS

Organized into 3 categories with bullet points.

5. PERSONAL PROJECTS	If applicable — show initiative, entrepreneurship, and transferable skills.
6. EDUCATION	Clean and concise.
7. ACHIEVEMENTS & RECOGNITION	Separate section with awards, rankings, and recognition.

FORMATTING RULES

- Use bold for company names, job titles, and key metrics
- Keep bullets concise but impactful (1-2 lines max)
- Prioritize recent experience (more bullets for recent roles)
- Make it ATS-friendly (no tables, no graphics, clean formatting)
- Use industry-specific language and keywords naturally
- Show progression and growth across roles
- Tone: Professional, confident, achievement-driven, data-backed, action-oriented
